An ICMR-DHR Initiative

Sir/ Madam,

One of the mandates of Indian Council of Medical Research (ICMR) and Department of Health Research (DHR), Ministry of Health and Family Welfare, Govt. of India is to augment capacity strengthening of Indian scientists. The ICMR-DHR programmes intend to create a pool of talented health research personnel by facilitating advanced training and exposure to the latest advancements in knowledge through interaction with the international/national scientists in their respective field of work.

A brochure SHARP - An ICMR-DHR Initiative has been developed enumerating the ICMR and DHR programmes hyper linking each with its related details.

On behalf of Secretary, Department of Health Research and Director General ICMR, I am glad to share the brochure with you which may kindly be widely circulated in your organistaion and may also be uploaded on your website for information and reference of students and researchers.

This brochure has also been uploaded on the ICMR website and can be accessed directly at this link: https://www.icmr.nic.in/ICMR_DHR_Brochure_Updated/

Looking forward to your positive support in taking this important initiative forward.

Yours sincerely,

(Dr. Harpreet Sandhu)

sandhuh.hq@icmr.gov.in

The ICMR-DHR programmes intend to

- Create a pool of talented health research personnel by facilitating advanced training
- Expose scientists to the latest advancements in knowledge through interaction with the international/national scientists in their respective field of work
- Encourage and support the Regular Faculty of Medical Colleges/Biomedical Institutes (Govt. as well as private) to develop and take up research projects
- Provide financial assistance to institutions for up-gradation of infrastructure for training

Who can apply?

- » Regular employees of Govt. Medical Colleges/Institutions
- » Private Institutions/NGOs (Registered with the DSIR, Govt. of India)
- » Individual: Scientists in regular employment in the Universities, Medical Colleges
- » Postgraduate Institutions, recognized Research and Development Laboratories
- » Scientific/Professional Bodies & Associations

One of the major mandates of ICMR and DHR is to augment capacity strengthening of Indian scientists

Details about the eligibility, format of application, guidelines and last date of submission of application for each programme can be accessed on ICMR/DHR websites

S H A R P

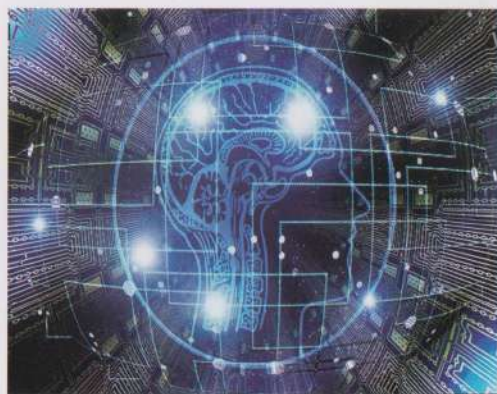

Support for Human resource Academics and Research Programmes

An ICMR - DHR Initiative

International Fellowships

- Long Term International Fellowships for Young Indian Biomedical Scientists
- Short Term International Fellowships for Senior Indian Biomedical Scientists
- International Fellowships for Scientists belonging to Developing Countries
- Fellowships for Non-Resident Indian (NRI), Persons of Indian Origin (PIO), Overseas Citizen of India (OCI) health research personnel serving abroad, to come back to India for undertaking research

Fellowships for Medical Students

- Nurturing Clinical Scientists Scheme
- Short Term Studentship (STS) for MBBS/BDS Students
- MD (MS-PhD Fellowship) :NIMHANS, Bengaluru; SRU, Chennai; KGMU, Lucknow

Students Fellowships

- Junior Research Fellowship (JRF)
- Senior Research Fellowship (SRF)
- Research Associate (RA)
- Post Doctoral Fellowship (PDF)
- Long Term Fellowships within India
- Short Term Fellowships within India

Biomedical Research Career Programme

- Programme specifically for women, who have had break in their career
- Scholarship/Fellowship programme for young scientists in newer areas

Schemes for Senior Scientists

- Dr. C.G. Pandit National Chairs (Clinical & Biomedical)
- Dr. A.S. Paintal Distinguished Scientist Chairs of ICMR
- ICMR-Emeritus Scientist (IES)

Financial Support for Travel/Thesis/Workshops

- International Travel Grant to Non ICMR Scientists
- MD/MS/DM/MCh/MDS Thesis support
- DHR-ICMR funded Clinical Training/ Translational Research Workshops
